Daniel 11:32b "...but the people who know their God will display strength and take action."

2019 End of Year Review

What a joy to be able to wish our friends and family a very
MERRY CHRISTMAS and HAPPY NEW YEAR.

We pray that your 2019 has been filled with the assurance and demonstration that God really meant it when He said He would never, **NO NOT EVER** leave you or forsake you. We sure hope that in all your wins and losses over these past twelve months that you sensed His presence, love, mercy, and grace. We have—both in awesome times, as well as in the not so fun times. As we celebrate all we have to be thankful for, the fact that Jesus came to earth, died and rose again, and, for a new year to come—**KNOW THIS**—He is with us, and, will carry us in His loving arms—**ALWAYS**.

Our year was filled with lots of demonstrations of God's tender love for the neighborhood where He has planted us—the CliffHouse Community. Many wonderful meals served, parties thrown, Gospel shared, lots of kids fed, tutored, taught, encouraged, loved on, disciplined, apprenticed, and shown Jesus' goodness. Many youth and young adults got to experience first hand and in person life as an everyday missionary—following Jesus into the neighborhood.

As I (Kenny) thought about all the wonderful events and experiences we've shared over this past year as we endeavored to live on mission with Jesus, one thought kept coming up—**WE COULDN'T DO THIS WITHOUT YOU**. This absolutely is a partnership. The following pics and notes depict a 'shared harvest' between **YOU, GOD, AND US**.

So, for those of you who support this ministry 'to the least of these' with your prayers and/or financial support, please realize that these pics depict **YOUR** fruit—the fruit of your sacrificial love. And, for those of you who have had the urge to jump onto our support team—**NOW IS A PERFECT TIME**. A huge door has opened widely here and we would love your partnership—prayer, financial, and hands-on service here. So, now's a great time to **RUN TO THE HARVEST**. Get on board. Join us.

Hope you enjoy our pictorial overview of 2019 CliffHouse Community on mission—

Kenny & Jenny

The kids love it when Dallas Fire & Rescue or Dallas City or School PD show up at Summer Feeding & Reading. They develop a great rapport with the First Responders

Summer Feeding/Reading 2019 was spectacular. Lots of awesome volunteer groups from DFW and beyond, great food every day, fun games and events, impactful Gospel stories, all kinds of music, and hugs—lots of happy kids.

Pray about helping us this coming summer with Summer Feeding & Reading

Lunch time

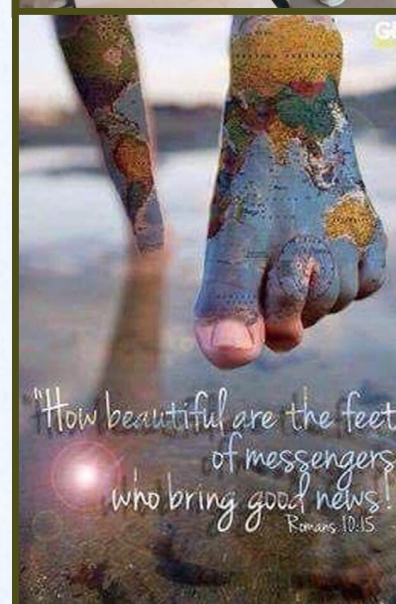

Possibly our best summer yet—Awesome kids—Awesome volunteers

Each week during the summer we have lots of different groups of awesome volunteers, mostly youth, from all over DFW and beyond come to love on our kids—but, when it comes time for a particular group to leave there are long hugs and tears. The CliffHouse kids love the kindness shown them from our various volunteers. And, know what? YOU can come almost any time of the year to help a day or two, a week or month, or even longer. You could change a kid's life.

If you are interested in helping during the summer with CliffHouse SummerFest (Summer Feeding & Reading), please contact Cristina Roberson through our website- www.MyCliffHouse.org

And, if you have a desire to actually experience life as an everyday missionary, living among the wonderful people you might feel called to—then contact us about CliffHouse Missional Apprenticeships. Some kid might just be waiting for your love and friendship.

Our friend Craig Scoville doing a powerful 'Gospel garden talk'

This year's Back To School & Back Pack Give-away Party was great. Thanks to many of you who made this possible.

< Hands Across The Rio Christmas outreach to Luis Moya, approx 500 miles south of the Tex/Mex border. Lots of kids who wouldn't have had gifts otherwise were so blessed. Many thanks to Carmen, Sergio and family for heading this up. It was great to 'resurrect' Hands Across The Rio.

CliffHouse Family loves to worship/pray under the stars around the fire-pit.

Jenny in her element

The owner of the coffee shop in the pic to right shared his story with some of our youth about how (Above) he took the risk to open a business, and helped the young people realize they could do the same. We love exposing our incredible youth to people and places that will stir up the dreams and imaginations within them and help them see they can actually go for it themselves. It was a really special evening of learning, and, we even got some free awesome coffee.

People ask sometimes why we came to such a tough neighborhood—THIS IS WHY—Her name is Jackie. Cristina helped her graduate high-school and get her driver's license. So cool. (Below)

Did I mention that we like to party—a lot?

The ministry of Kenny & Jenny Ingram and The Master's Harvest is a team effort supported by people like you who have a burden to see **Good News** proclaimed from the neighborhood to the nations. Part of this team is the 'go-ers', while others are the 'prayerful senders'. **Would you pray about joining this team effort?** Your tax deductible gift to this ministry will go 100% as you designate. Undesignated gifts will be used for TMH/CliffHouse operating expenses. Thank you for praying about being part of this Spirit-led effort. Checks can be made payable to: The Master's Harvest with a note specifying the designated ministry and mailed to the address below. We look forward to representing you in the 'harvest' field.

(Above) Yep—these two are making us 'Great-grands' this Spring. (Above middle) Piper at her last scheduled game of high-school. Almost locked in on her college. Wow! Denny (Right) is growing so fast and into anything First Responder. Marlee (mid right) is doing great as well.

Special Thank You to some special folks (Above). Cristina and Manny are the creative energy behind the best stuff that happens at CliffHouse. Our special neighbors, Carmen & Sergio, do so much as well to bless the CliffHouse kids. And, Cristina's parents, Chuck & Susie, are such support to Cristina. THANK Y'ALL so much.
